Public Service Commission of South Carolina

Re: Docket No. 2022-88-T - Application of MyRide SC, LLC for Class C (Non-Emergency) Certificate of Public Convenience and Necessity for Operation of Motor Vehicle Carrier.

Dear Ms. Boyd:

This afternoon, Commission Attorney David Stark, alerted the parties in the above-referenced docket to an email he and ORS Chief Legal Officer Andrew Bateman received from Ms. Brandy Gasque protesting MyRide, SC, LLC's application. The Commission should not allow Ms. Gasque's last-minute allegations (which MyRide disputes) further delay this application.

As Mr. Bateman stated in his letter to the Commission of April 15, 2022,

ORS conducts a thorough inspection of every entity that applies for a Class C (Non-Emergency) Certificate of Public Convenience and Necessity based on Commission Rules and regulations to ensure each applicant meets the requirements of Fit, Willing and Able. ORS conducts this inspection as part of the compliance stage **following the Commission's issuance of its order**In the event the inspection yields findings that a company's vehicle(s) are not safe or fail to meet any aspect necessary to be fit, willing, and able the company fails the inspection, and ORS does not issue the certificate. (*emphasis added*).
